

# Recarson PS

## Welcome Back!

### School Uniform

Parents are asked to ensure that their child's name is clearly marked on all school uniform and P.E. clothing. Your help is greatly appreciated.

### Mrs Glackin

Welcome to Mrs Dearbhla Glackin who has joined the Teaching Staff (on a temporary basis).

## WELCOMING OUR PRIMARY 1 PUPILS

### Safety of Pupils First

Sincere thanks to the vast majority of parents who are kindly respecting the **one way traffic system** which operates at the home collection times of 2.00 and 3.00pm.

All cars should approach the school to collect pupils at the gate **from the crossroads side** (and so may need to pass the school and turn at the crossroads). This system ensures traffic flows smoothly and that children do not have to cross the road.

***Working together, we aim to ensure all pupils remain safe.***

# THANK YOU!

Play-times became more fun last week thanks to money raised during the 2013-2014 school year through the school's Parent Support Group. £750 has been invested on play items and storage trolleys which will benefit all classes in the school.

On behalf of all pupils and the staff, **thank you** parents and friends of Recarson for your generous donations and fundraising support!

## Primary 7 Prefects for Term 1
