## Dairy Council 'Food & Fitness' Programme

Pictured are P5-6 pupils who have been learning about the importance of healthy eating and lifestyle through their topic work with Mrs Glackin. On 1st December 2014, representatives

from the Northern Ireland Dairy Council visited school to communicate important health messages to the class in a fun, interactive and creative way. Pupils explored balance within their diet, based on eating a variety of foods from the five food groups, and balance within their lifestyle, considering the importance of getting at least one hour's exercise each day.
