

The Poetry In Motion Gala

Yesterday 14th March 2017 P.5 went to the Ulster hall in Belfast for The Poetry in Motion Gala. We got there by PD coaches .When we arrived we got escorted across the road by a police man.

When we got in

When we got in we went to the toilets but didn't get any food .We were fifth on stage.

Our poem

On stage I think we were brilliant. I also think there should have been an award for Primary and secondary schools. Our poem was called the Mystical Celtic whisper.

The awards and winners

Some people won an award for how much effort they put in saying , composing or writing their poem, the award winners were Grainne, Tristan, Ronan, Malachi and Mrs Mac .Three poems got

picked to go in a book, these people were myself, Ryan and Harry .We had to share a bus with Gillygooley School from Drumquin .The bus was massive and on the way home we got our lunch .I really love Poetry and I will keep on going with poetry.

Uncover me
Let my secrets free
My time has come
To tell my story
At Last
