St Ronan's School Councillors 2017

Thank you to all the pupils who participated so enthusiastically in our recent School Council Elections. We had terrific powerpoints, speeches and persuasive presentations. It was most pleasing to see so many children have the confidence to stand in front of their class and deliver their talk, so well done boys and girls, we are extremely proud of you! Also thank you parents, for your support and encouragement to the children. We look forward to hearing what exciting ideas and initiatives our councillors will engage in this year!

School Closures

The school will be closed for Halloween Break on

Monday 30th October, Tuesday 31st October and Wednesday 1st November 2017

Parental Involvement in Developing Numeracy Skills

Please check your child's Green book for ideas and suggestions on ways to help your Child with Numeracy!

BOOK FAIR COMING SOON!

Beginning **Monday 13th November 2017**, the school will host a Book Fair where parents and pupils may browse and purchase new books from a vast selection of children's reading material.

It is hoped this event will further promote the value of reading to all children.

Additionally, the support of all parents will significantly benefit the school as we will receive commission on all books sold. This will be reinvested to buy additional fiction and non-fiction library books which will be added to our main library stock. Further details regarding opening times will follow at the start of November. Please encourage family members and friends to support us too by inviting them to come along to our Book Fair.

Parent/Teacher Interviews

Annual Parent/Teacher Interviews for P1-P6 will take place for all parents on **week beginning 23rd October 2017**. Parents will soon receive an individual letter detailing the date and time for their child's interview. If the allocated time is not suitable, please contact the school via the Secretary, Mrs McGaughey, at your earliest convenience and she will try to arrange another time (before Halloween break). Each parent will be allocated 15 minutes for their interview. It is important that everybody keeps to the schedule so that other parents are not kept waiting. Your support is greatly appreciated in this regard.

Reading Eggs & Mathletics

The school are currently trialling the above two exciting online programs designed to motivate and excite your child to improve their literacy and numeracy skills. Each child has their own unique username and password. If possible please encourage your child to engage with these programs at home (P3-P7). More information will follow in the coming weeks!
