Activities in May!

May was a very busy and fruitful month for the boys and girls of St Ronan's Recarson. We had a variety of workshops including Cancer Focus for P1-7, Santander Bank for P7 and our P6 Boys enjoyed a wonderful day at the CBS STEM Day. Congratulations also to all who participated in the West Thir Eoghain Feis. We had numerous winners and a special mention to our wonderful Traditional Group who were placed 3rd. Photos can be viewed on the school website. Well done also to Senan, P7 who came 3rd in the Ulster Heat of the 'Eason's Spelling Bee'. Our Primary 7 pupils have also thoroughly enjoyed their Cycling Proficiency and most definitely developed their cycling skills.

We have had a very successful month in local Sporting Competitions. Our cross-country runners enjoyed the team event at Greencastle. Meanwhile our footballers were highly successful at the Beragh Tournament, winning the large school section! Our footballers progressed to the Tyrone County Finals and were delighted to be crowned County Champions of our section! Superb achievement boys, well done! Our girls have also been extremely successful over recent weeks. Our Camogie team came 3rd in the Tyrone County Finals and were narrowly beaten in the semi-finals. A huge well done to our Netballers who won the St. Mary's Competition, last week.

Finally, our hurlers were crowned Outdoor Hurling Champions in Tyrone after a very competitive tournament in Carrickmore recently. Overall, amazing experiences and achievements for our pupils! Well done to you all boys and girls!

Croke Park Trip Success!

We are delighted to announce that our School has won one of the School Trips to Croke Park! The trip will take place late June and you will be informed over the next few days which class will be attending! Many thanks to everyone who collected tokens. Please extend to your family and friends. Another great opportunity for our pupils!

After-School Clubs

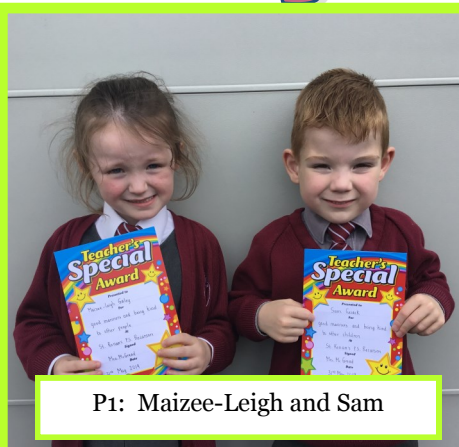

All after-school clubs have now **finished** for the year. I would like to sincerely thank the many parents who have given up their time, to assist with these clubs to ensure our pupils have these additional opportunities. We could not offer the vast range of activities without their expertise, assistance and dedication. We are most grateful for your support and help. Thank-you!
